TRUST EMPLOYEES' IMPACT

Our winning cloud platform enables structured dialogues with employees.

Trust, dialogue and impact are crucial in order to engage and make an impact, together!

Real dialogue is where two or more
people become willing to suspend
their certainty in each other's
presence.

AZ QUOTES

CircleLytics offers employee listening & engagement solution

- CircleLytics disrupts the (pulse) survey market
- By introducing a 2-round alternative based on dialogue
- Quantitative and dominantly qualitative responses
- Gaining finally deep insights from free texts via 2 rounds
- Adding homebrew artificial intelligence

2nd Round looks is highly rewarding, triggers reflection, empathy and ... scores
